

Solar Gardens

An Innovative Way to Provide Homegrown,
Renewable Energy to Nebraska Communities

SOLAR CO-OP WORKSHOP

Date: Saturday, May 12, 2012

Time: 1:00 - 3:00 p.m.

Place: First Unitarian Church,
3114 Harney St.

Brice Miller, business student & Solar Co-Op member, has been working with founder of Solar Gardens.org, Joy Hughes, on developing a solar gardens business model for Nebraska.

Joy Hughes has experience in organizing, developing, & managing community-owned solar energy projects across the country. She'll discuss how all businesses & organizations can benefit from solar gardens.
